Welcome to our 39th year of Zippel Cruises: It's time to begin another season of American cruising. We look forward to catching up with you again after this very cold & wet Winter. Our '41 Buick coupe is still off the road, but is getting closer thankfully. Just what we didn't need while undertaking a full restoration on our other '41 Buick convertible.

New subscribers own the following; light green 1969 Pontiac GTO Coupe, white 1967 Buick Skylark convertible, black 1958 Oldsmobile Super 88 coupe, and a red 2002 Mustang Cobra coupe.

Regards, Grant & Stephanie Zippel
